NIC #06585-84
21 November 1984

MEMORANDUM FOR: Chairman, National Intelligence Council
VIA: Vice Chairman, National Intelligence Council
FROM: John J. Bird
National Intelligence Officer for Warning
SUBJECT: Approval for TDY [] November 1984

25X1

OK 1. Request approval for NIO/W to travel [] 25-27 November.
The purpose of this travel is to participate in a U.S. Navy-sponsored crisis simulation which is to last two days and is to be done at U.S. Navy expense.

25X1

2. My participation has been solicited because of my present position as NIO/W and because of my previous association with strategic planners in the Department of Navy. This should provide further opportunity to explore the potential for bringing strategic warning to bear early on the security policymaking process.

3. [] will represent the NIO/W during this time period.

25X1

OK 4. On another subject, I would like to consider getting a suitable replacement for [] and would like to discuss this with General Faurer when I meet with him on 29 November 1984. If you have any objections, please contact me [] before 29 November.
